

Spring

Daffodil Day

B Event location
Twin Oak Drive
Sunday 1st September
11 am – 3 pm

Rain date:
Sunday 8th September
11 am – 3 pm

Our daffodils are blooming and spring is in the air which means one thing our Daffodil Day!

Twin Oak Drive will be closed for you to explore the daffodils at your own pace along with games, roaming music, and activities. Wander under the oak trees and past all the daffodils, bring a picnic and stop for a while or bring your wheels (non-car wheels that is!) to roll through the space.

Please remember to not pick the daffodils – they are there for all to enjoy.

Whats happening in Cornwall Park this season?

September

Spring has sprung, and our daffodils and bluebells are in full bloom. Head to Twin Oaks Drive to see for yourself. We are still saying hello to our new baby lambs. They're super cute and we love that people love them, but please don't touch them or pick them up for cuddles and pictures – if you do that, you could really harm them. Enjoy watching them and taking photos, but make sure you do it from a distance.

October

It's cherry blossom season – head down to the cherry grove near Pōhutukawa Drive or on Puriri Drive to enjoy a magical view! Our bulls are out in the paddocks. Make sure you keep away from them – they're cranky at the moment (it's mating season).

November

When it starts to warm up, our arborists are getting the trees ready for summer. We're also dagging our sheep – it's a messy job but a really important one! Our events team are also preparing the summer events calendar - keep an eye out for it and pick up a copy from Huia Lodge or take a look on our website.
