

Wedding ceremonies in Cornwall Park in Orange Level

Thank you for choosing Cornwall Park for your wedding ceremony. As you are aware New Zealand is in the COVID-19 Protection traffic light system put in place by the New Zealand Government. At Cornwall Park we aim to provide a safe and enjoyable space for all New Zealanders during this time, and ask that you help us do this during your visit.

As the organiser of your wedding ceremony, you are responsible for everyone you invite and ensuring that your ceremony follows the Government guidelines. This pack will help you decide how your gathering can happen in the park and provide you with the tools to hold it safely.

In this pack you will find our Cornwall Park QR code, the COVID-19 Protection Framework, New Zealand Government guidelines and an outline of the park guidelines at the **Orange** traffic light level.

Cornwall Park guidelines for Orange Level:

Wedding ceremony up to 100 people:

- Vaccination certificates required for all attendees
- 1m distance between attendees.
- Up to 20 seats allowed - must be spaced 1m apart.
- QR code should be shared within the gathering so everyone can sign in.

Wedding ceremony up to 50 people:

- Vaccination certificates not required.
- 1m distance between attendees.
- Up to 20 seats allowed - must be spaced 1m apart.
- QR code should be shared within the gathering so everyone can sign in.

COVID-19 Protection Framework (traffic lights)

The new framework provides a guide to protecting one another, keeping our health system running well and businesses open.

Factors for considering a shift between levels

- vaccination coverage;
- capacity of the health and disability system;
- testing, contact tracing and case management capacity; and
- the transmission of COVID-19 within the community, including its impact on key populations.

Decisions will also include other factors, including economic and social impacts and operational considerations.

Localised protections and lockdowns: can be used as part of the public health response, in addition to other measures, where necessary to protect affected communities.

My Vaccine Pass: the official record of your COVID-19 vaccination status for use in Aotearoa New Zealand.

You will be legally required to provide your Vaccine Pass to enter places that have vaccination requirements in place in order to operate under the current traffic light setting. This may include hospitality venues, events, gatherings, and gyms.

You cannot be asked to provide your Vaccine Pass to access basic needs services, including supermarkets, dairies, petrol stations, public transport, pharmacies and essential health care. This also applies to specific education and housing services.
