Photo Exhibition Views of Cornwall Park

A Event location
Huia Lodge Discovery Hub

This summer our photography exhibition shows a unique view of Cornwall Park from a bird's perspective!

Local photographer Estefania López spent time in the park during 2021, capturing unique photographs of the park from above. The images capture seasonal changes in our trees and plants, livestock movement and the shapes and patterns of the land - both natural and man-made.

Estefania López is an experienced visual artist, focusing on drone and digital photography. Her approach to spaces, whether architecture or landscapes, focuses on the beauty within the ordinary.
