Workshop Upcycled weaving

A Event location
Huia Lodge Discovery Hub

Saturday 7th August
10am - 12pm

Booking is essential.
Register by emailing your name,
phone number and number of participants
to info@cornwallpark.co.nz.

Come along to Cornwall Park for a creative upcycling weaving workshop. The Recreators are on a mission to help our community ReCreate waste into value. In this session, they will teach you how to make a god's eye weaving reusing sticks, wool and turning old t-shirts into yarn.

Kids can then choose colours and textures to make their own unique upcycled woven creations. Want to add nature to your design – find some flax or long grasses! We welcome adults to stay, help and create themselves – they often get more of a kick than the kids when making with their hands.
